Next Saturday at Duncanville will be Boston Market for lunch and pizza. El Chico will be for the last away game meal.

Thank you to Connie for all her hard work feeding our kids!

for Spirit Wear Committee – Brandi – Thank you for your patience. Has preordered items pick up today and has ordered 50 more hats. Ponchos arrived after the rainy game – disappointed with the quality. Thought plastic should be thicker.

Checking in to what it would take to have an online store for next year.

If you have any special requests, let Brandi know. Looking for long sleeve shirts next.

and Chaperone Committee – Sarah Crosswhite – Chaperones are doing great. Good crew all work super hard. If you want a meal for Friday night pick a meal online and it will be 6.00.

many Props Coordinator – Duane – Everything going great. It takes 1 hour and 40 minutes to set up props. 4 guys get there early to set up. Thanks for understanding that only so many can go on the field at competitions.

Volunteer Committee – Kami Cargile – Checking with Sarah, Duane and Connie to see if they need extra help. Concessions are going well.

Fundraiser Coordinator – Kamie/Connie – Freddy's went awesome! Broke a record until the middle schools beat us. Easy fundraising! This Wed. will be at Sonic from 5-8 on Lake Road – selling \$5.00 coupon books and we get 100% profit.

Nov. 1st at Fuzzy's Taco – Dessert brownie for \$5.00 and we get the whole \$5.00.

Use social media to tap in to the entire community – not just band parents.

Round Rock does a photo fundraiser – everyone was interested.

Email Kamie with any other fundraising ideas.

Nov 15th is Chipotle – we get 50% of profit.

Yes, Rosa's – Sell gift cards for \$7.00 and we keep \$3.00 OR 10% of meals for the evening. to the meal 1st Wed. in December. Connie will get more info on the cards.

the Uniforms – Shauna – and volunteers helped sew by hand all of the shiny material over the red on the uniforms. The band directors love the uniform. Bigger bands can buy new uniforms every year to fit their shows. Now, it will just be uniform maintenance and minor repairs. We have great uniform managers this year, best ever for Shauna, especially plumes. Chaperones please let uniform managers off the bus when needed.
